STOCKED INTERIOR DOOR CATALOG

The products in this catalog are generally in-stock in Alaska or short lead time from Seattle.
Seasonal demand and manufacturer's availability can change stocking status and lead times.

Showroom: 6251 Tuttle Place Anchorage, AK 99507 (907) 868-7883 www.neighborsak.com

Finishing

All doors can be painted or stained in our state-of-the-art climate-controlled paint booth. Having your door finished prior to installation means better quality finishes than on-site painting, and projects can be completed regardless of the weather. Custom paint and stain matches are fast and easy or choose from one of our standard paint or stain colors.
